MSD Notice of Construction
LABOITEAUX AVENUE SEWER REPLACEMENT, SSO 597 ELIMINATION
In City of North College Hill, Hamilton County, Ohio

City of North College Hill, March 2, 2005 - The Board of County Commissioners recently approved funding for the LaBoiteaux Avenue Sewer replacement, SSO 597 elimination. Managed by the Metropolitan Sewer District of Greater Cincinnati (MSD), construction is scheduled to begin on or before March 15, 2005 and is expected to be completed by mid June 2005.

The project will eliminate a sanitary sewer overflow and replace a deteriorated sewer. The project will involve the installation of 559 feet of sanitary sewer. Construction will occur on LaBoiteaux Avenue, beginning at Galbraith Road and continuing approximately 559 feet to the North. The construction cost of the project is \$220,146.

This project is part of MSD's ongoing Capital Improvement Program (CIP), which is focused on continually updating and improving the operation of MSD's wastewater collection and treatment systems.

Every day, the Metropolitan Sewer District of Greater Cincinnati (MSD) manages the effective collection and treatment of more than 200 million gallons of wastewater and actively maintains 3,000 miles of sanitary and combined sewers that run through the 49 municipalities and townships of Hamilton County. Owned by Hamilton County and operated by the City of Cincinnati, MSD is committed to continually maintaining and improving its wastewater collection and treatment systems for the betterment of both public and environmental health.
